

## Project AURORA

Nurses Recruitment to Belgium

### **Document Checklist For Travel Visa and RN Licensing in Belgium** (Not included in Job Profile, send as separate mail to the eligible applicants at the beginning)

Following are the list of documents needed for applying for the immigration visa to Belgium and the nurse registration process in Belgium. These documents have to be translated to English before submitting them. Police clearance certificate and Doctor's fitness certificate have only six months validity, so it is better to arrange them after you get the B2 level Dutch language certificate for RN licensing.

- Higher Secondary or equivalent certificate
- Secondary schooling or equivalent certificate
- Degree certificate
- GNM mark list (Individual)
- Academic transcript certificate
- CV/Resume
- DUTCH language certificate of B2 level (to be provided after training program)
- Doctor's fitness certificate
- Birth Certificate
- Marriage Certificate
- Proof of Impunity(Police clearance certificate)
- Work experience certificate
- Nursing registration certificate
- Professional passport photographs
- Copies of the front and back page of the Passport (in colour)
- Health insurance that covers all risks .

Document Translation (if necessary when the documents are not in English)

All the certificates and documents have to be translated to English before sending to the registration process. However, you cannot randomly choose a translator for this purpose; your translated documents become valid when done by an accredited translator or a sworn translator.
