

## 1. Select USER PROFILE

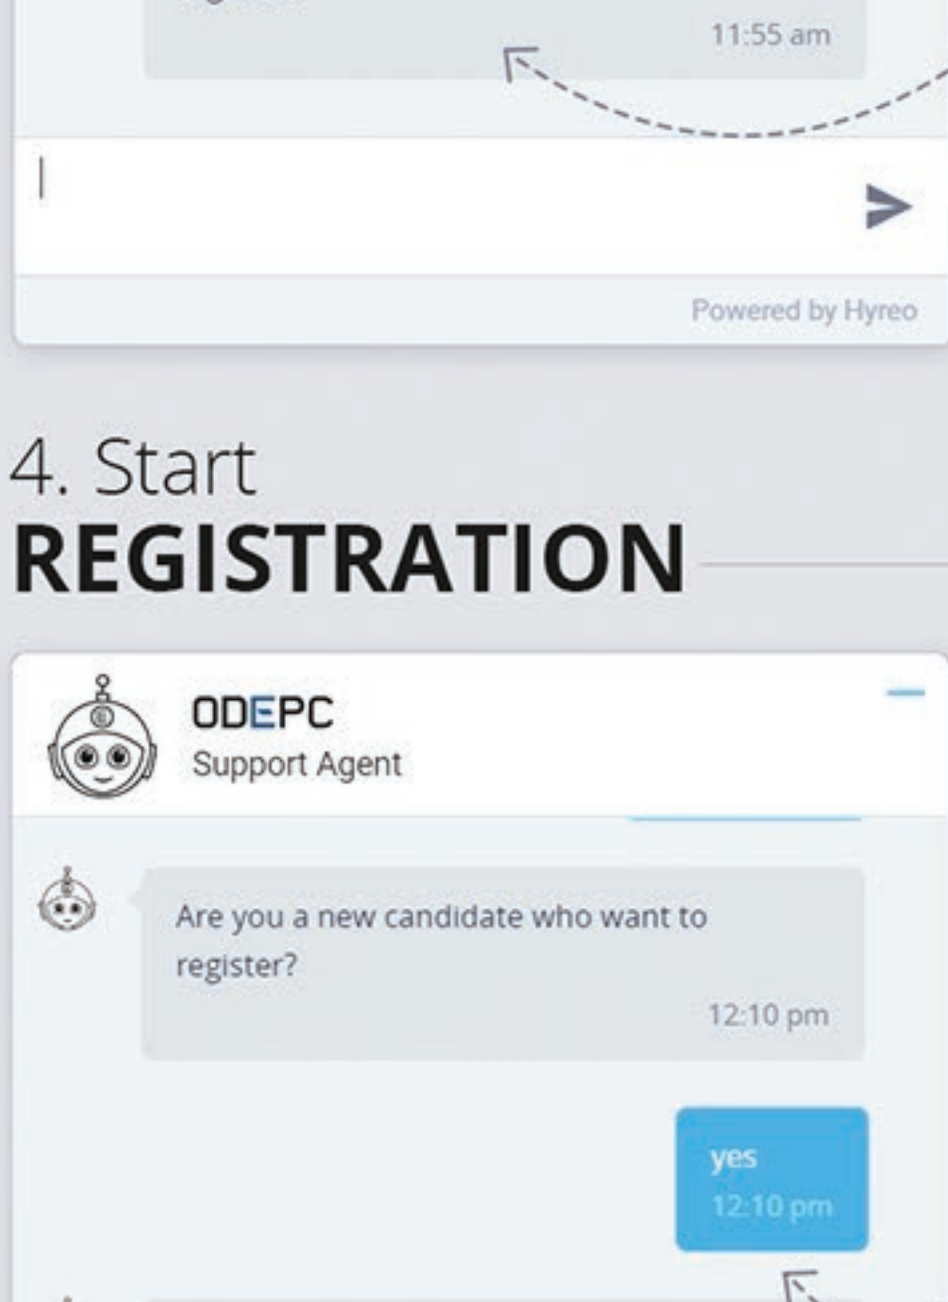

Select **Job Seeker** tab to start interacting with the bot as a candidate

## 2. Input your MOBILE NUMBER

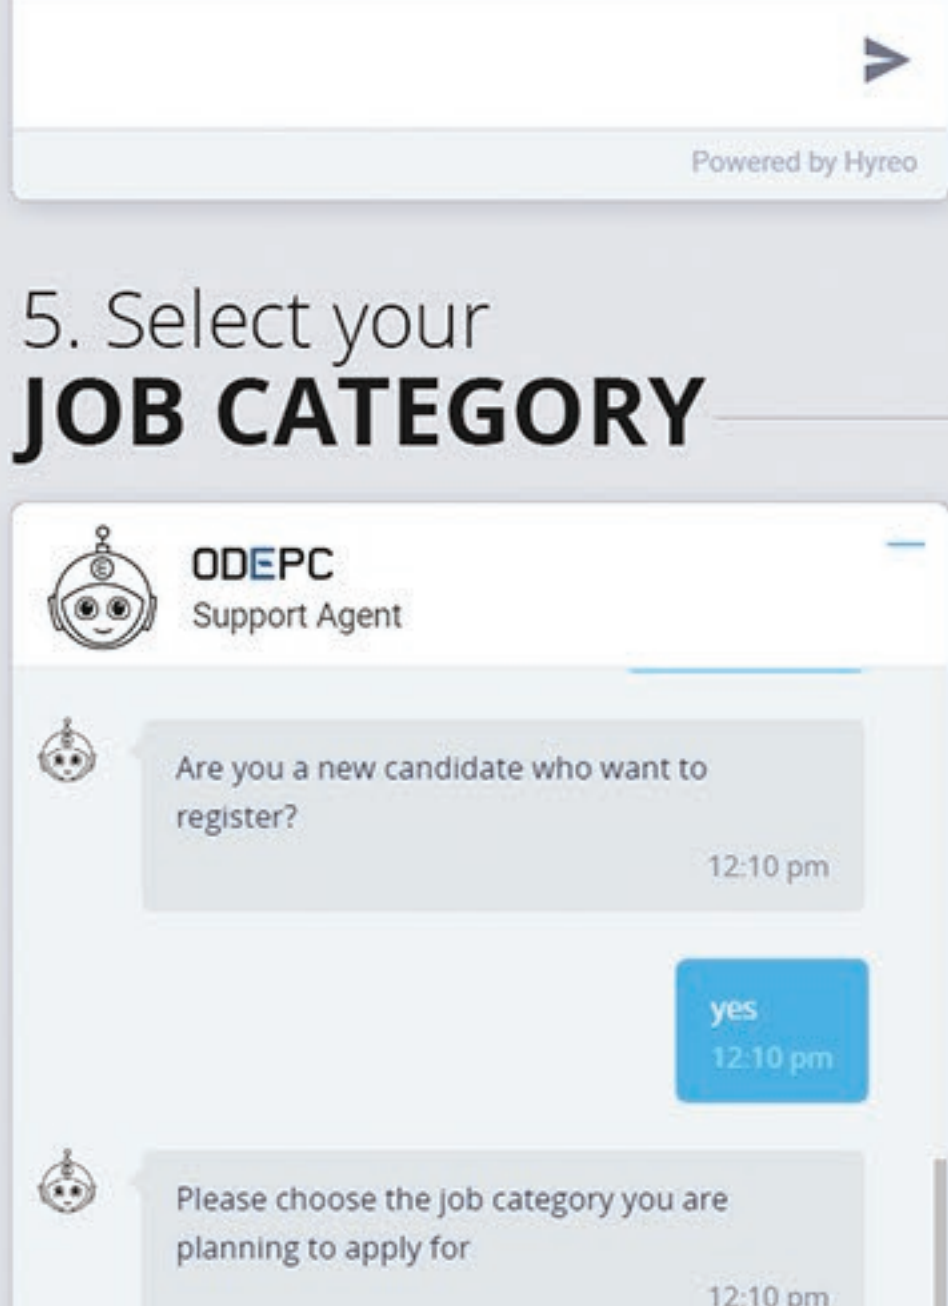

Enter your mobile number. The bot identifies you uniquely by your mobile number.

## 3. Bot checks REGISTRATION STATUS

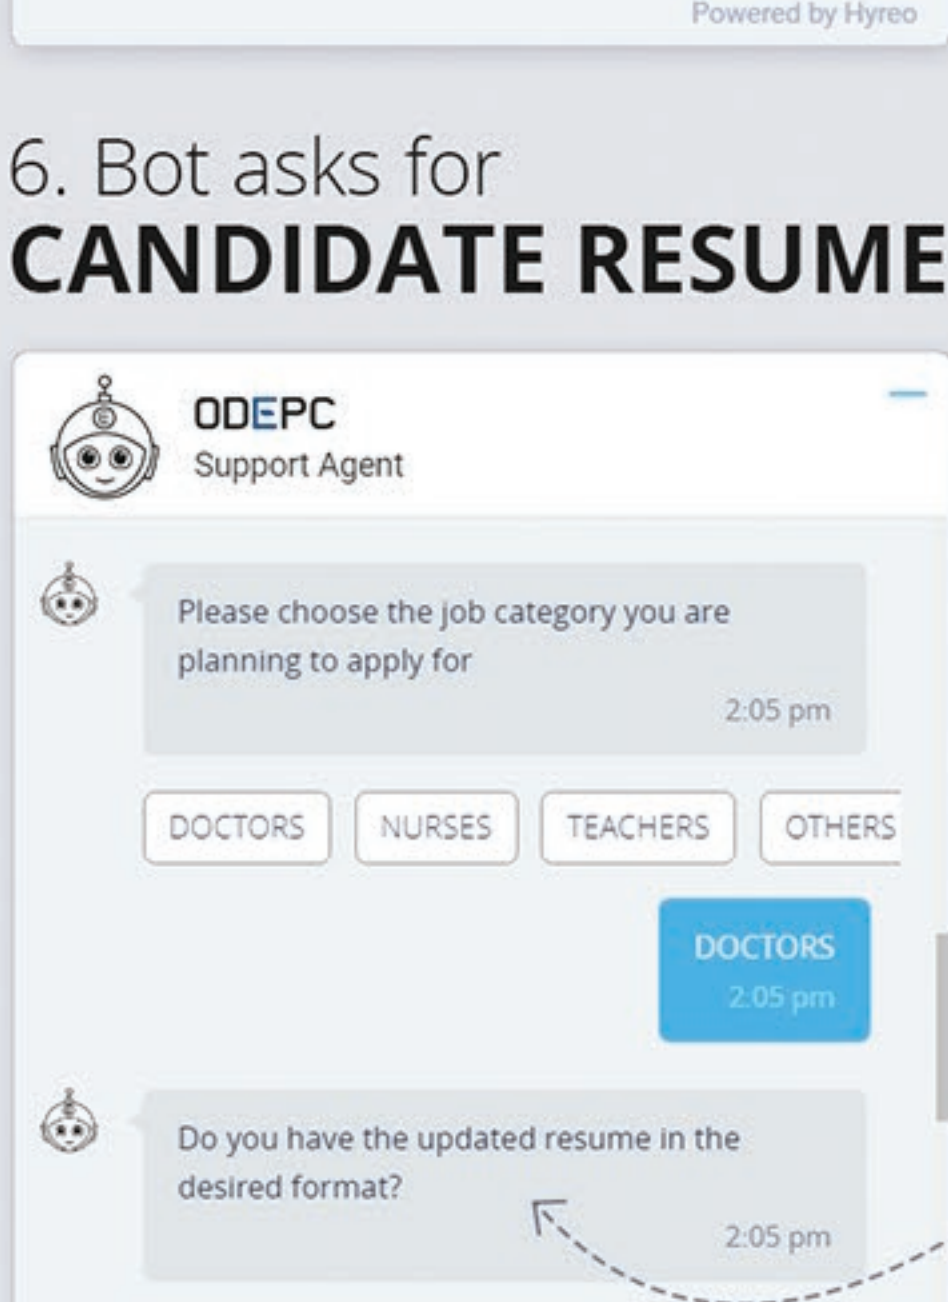

Bot checks whether the entered number is a registered number. If the entered number is a registered number, then the bot will show the registration status. Otherwise the bot will confirm whether you are a new candidate

## 4. Start REGISTRATION

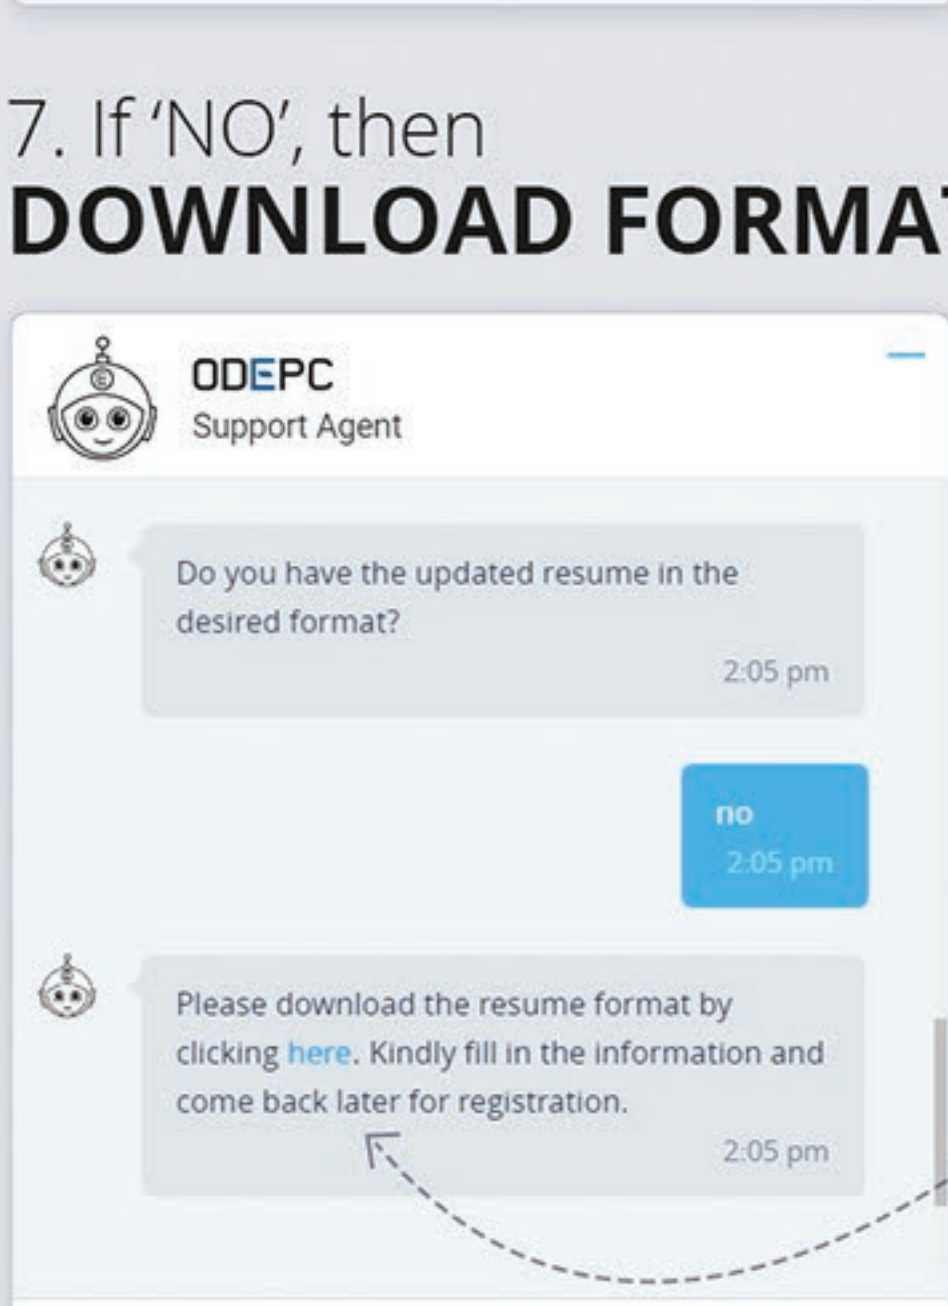

Enter '**Yes**' to start the registration process

## 5. Select your JOB CATEGORY

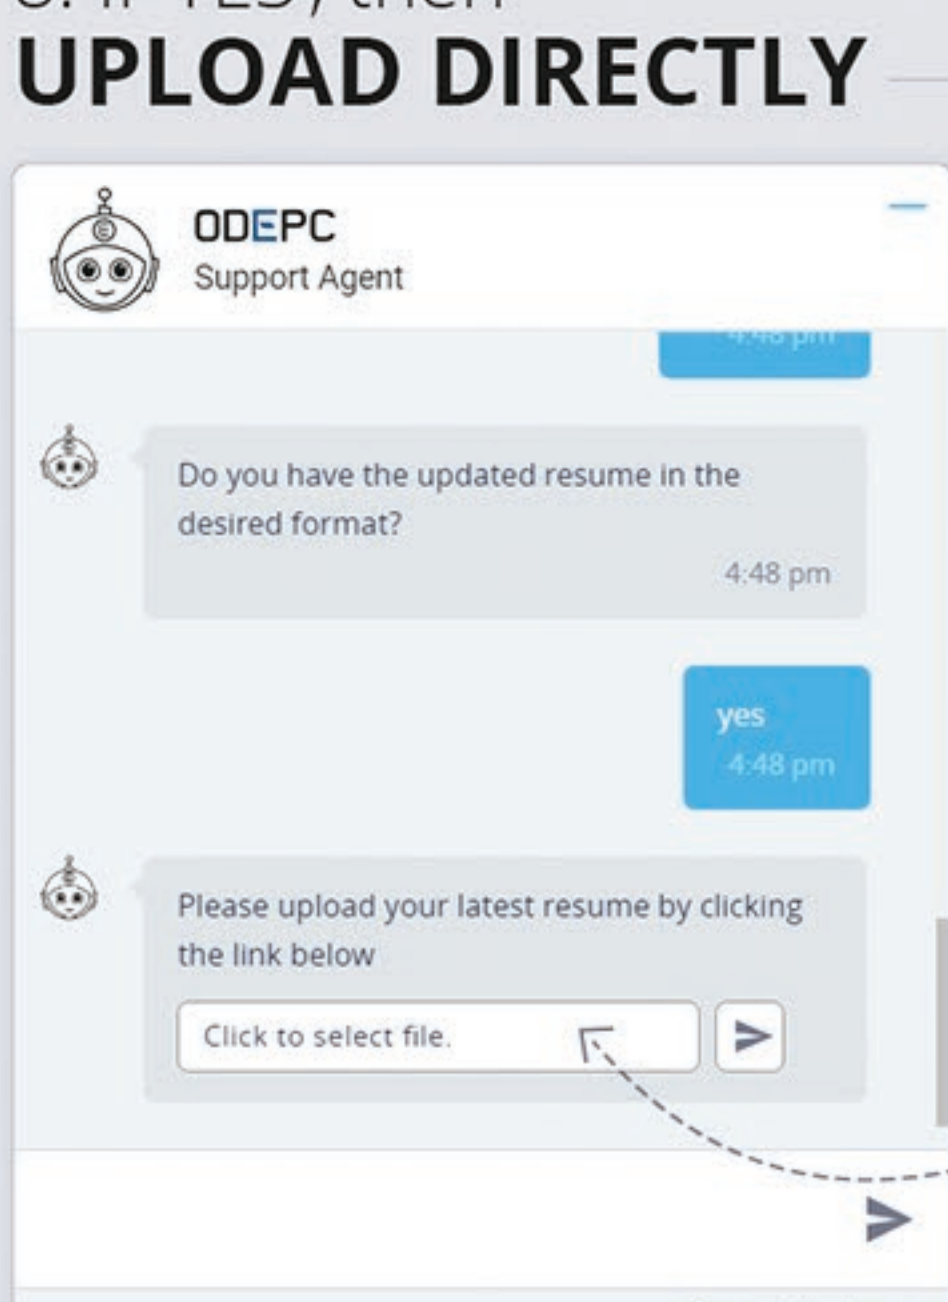

Click on the appropriate tab to select '**job category**' and then click ► icon to submit

## 6. Bot asks for CANDIDATE RESUME

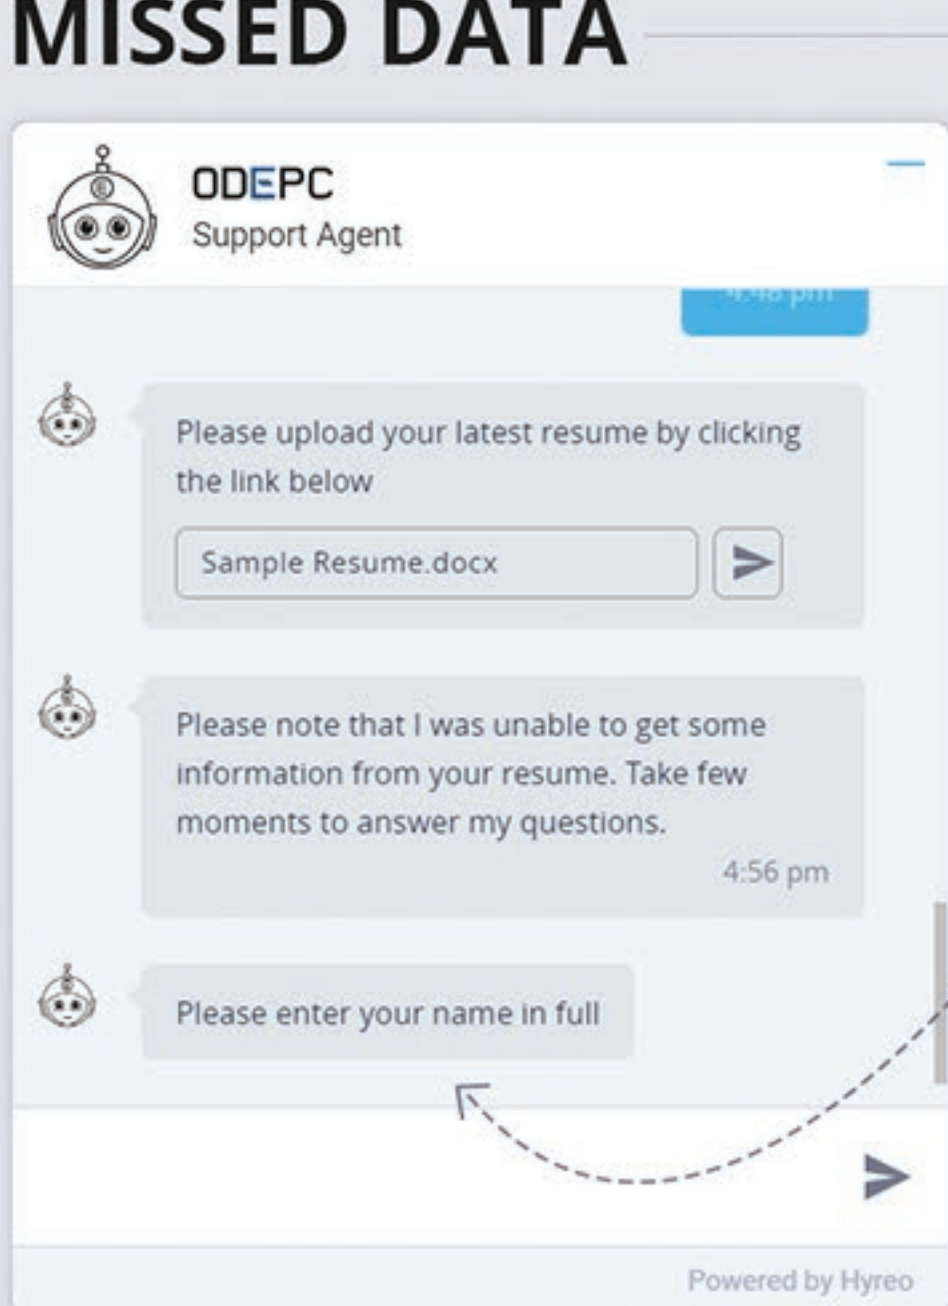

Please reply whether you have your resume prepared in the format specified by ODEPC (**Yes/No**)

## 7. If 'NO', then DOWNLOAD FORMAT

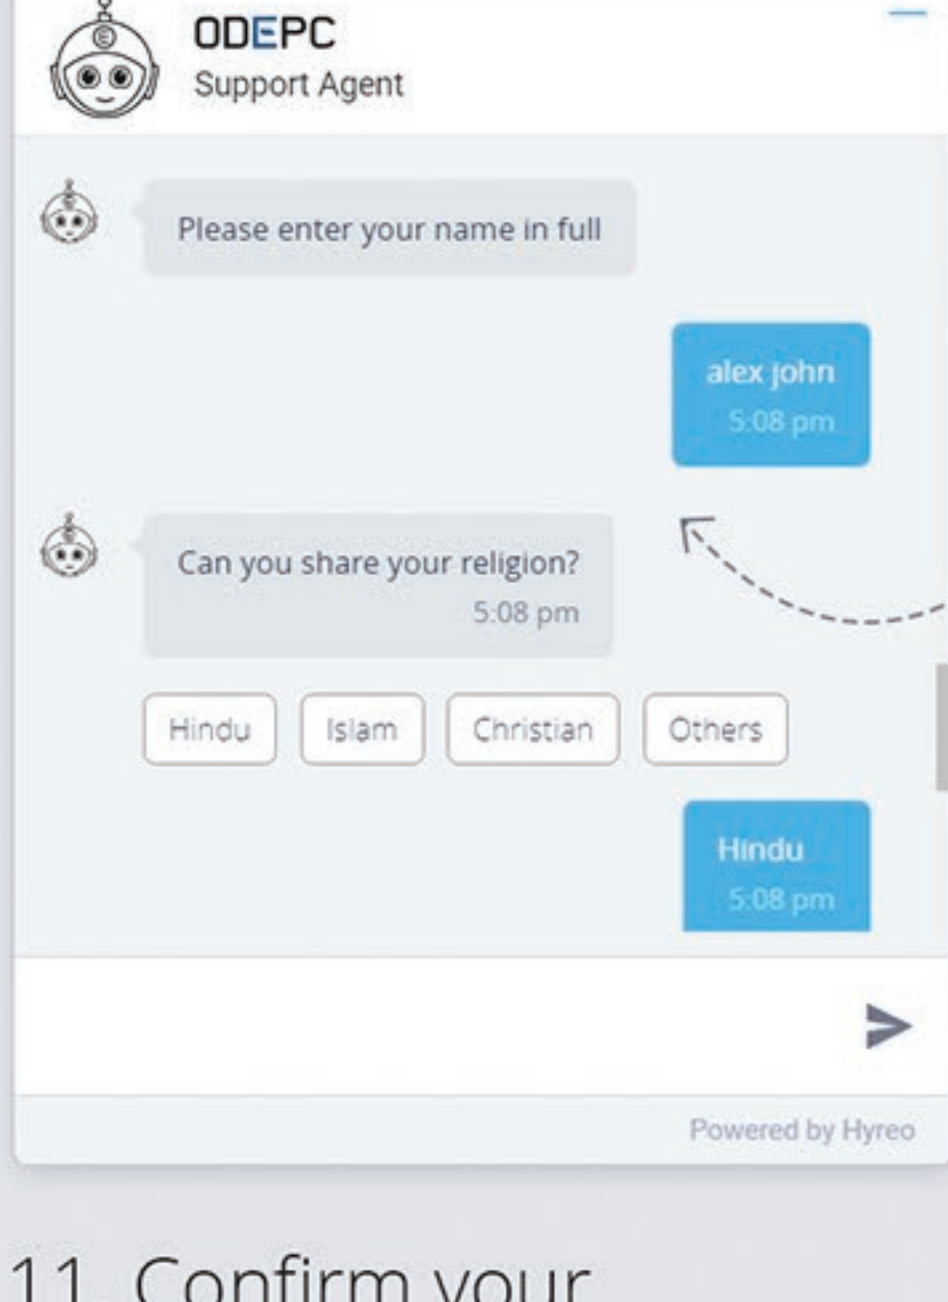

If **NO**, you can download the ODEPC resume format from [here](#). You can fill up the details and then proceed to upload.

## 8. If 'YES', then UPLOAD DIRECTLY

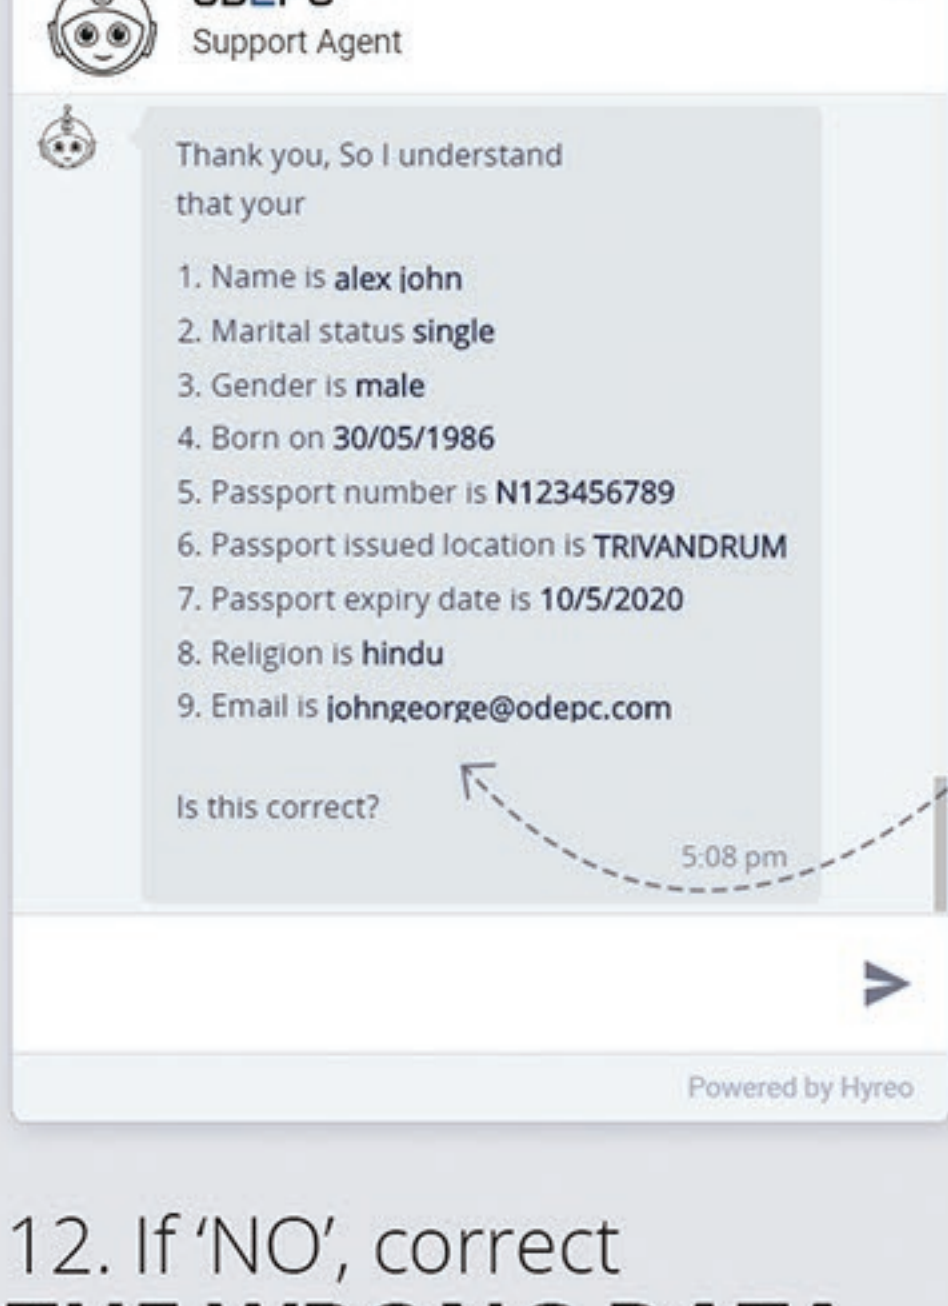

If **yes**, you can upload the resume by selecting the file location and clicking ► icon

## 9. Capturing MISSED DATA

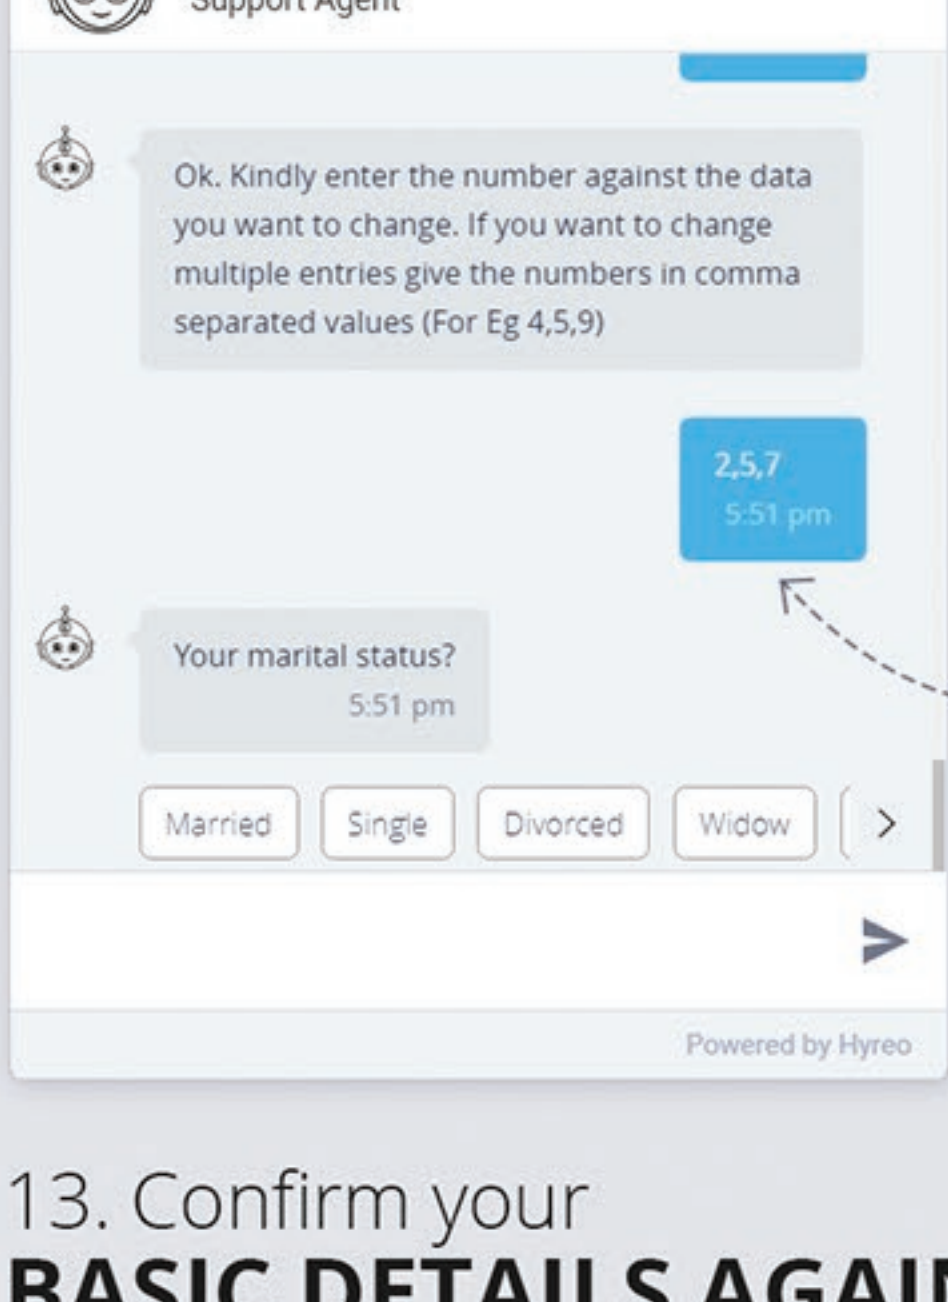

In some cases, the bot cannot capture all data from the resume. You may need to enter the missed data manually

## 10. Entering the MISSED DATA

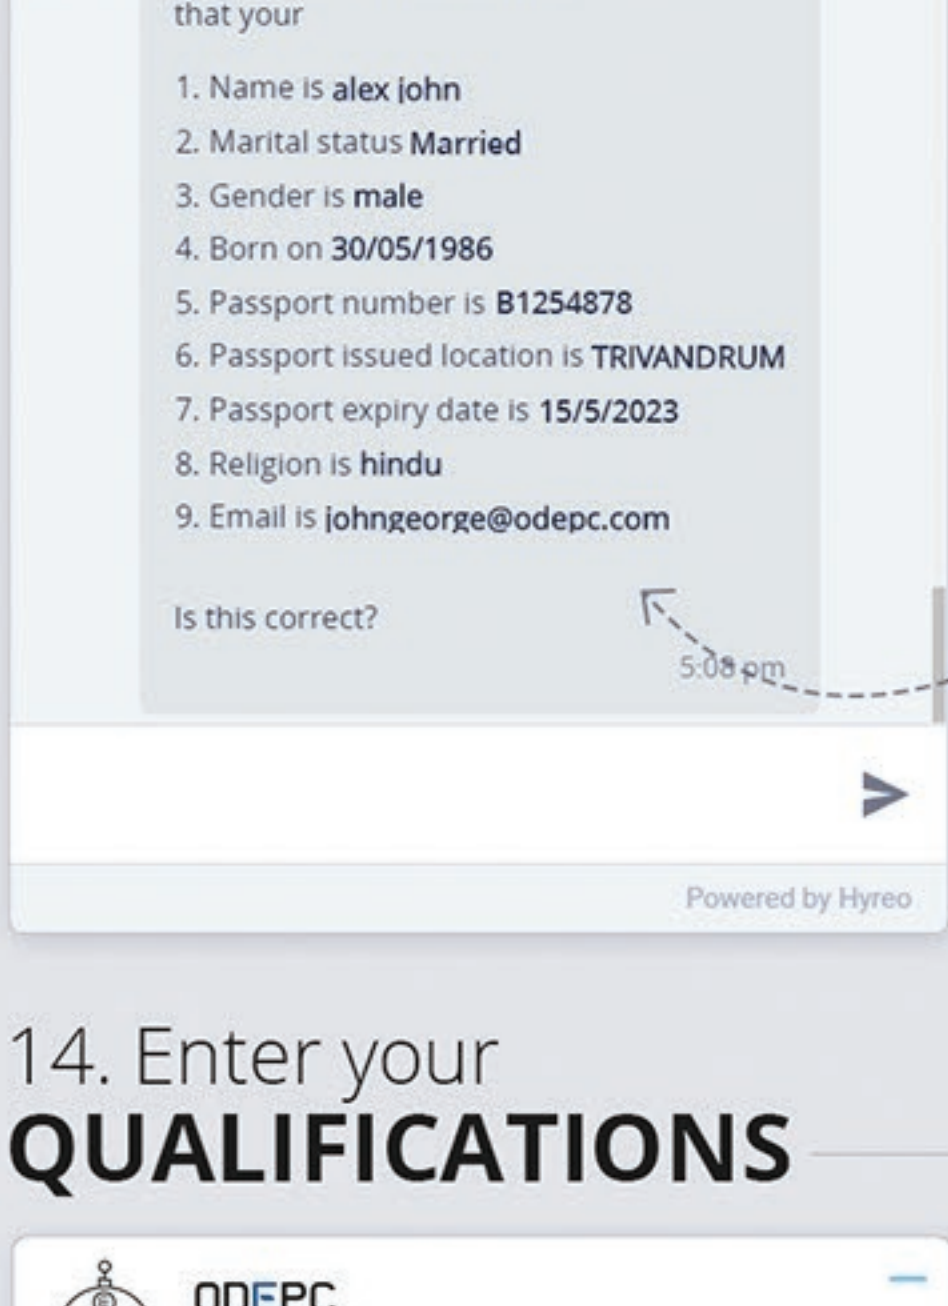

Please answer the questions asked

## 11. Confirm your BASIC DETAILS

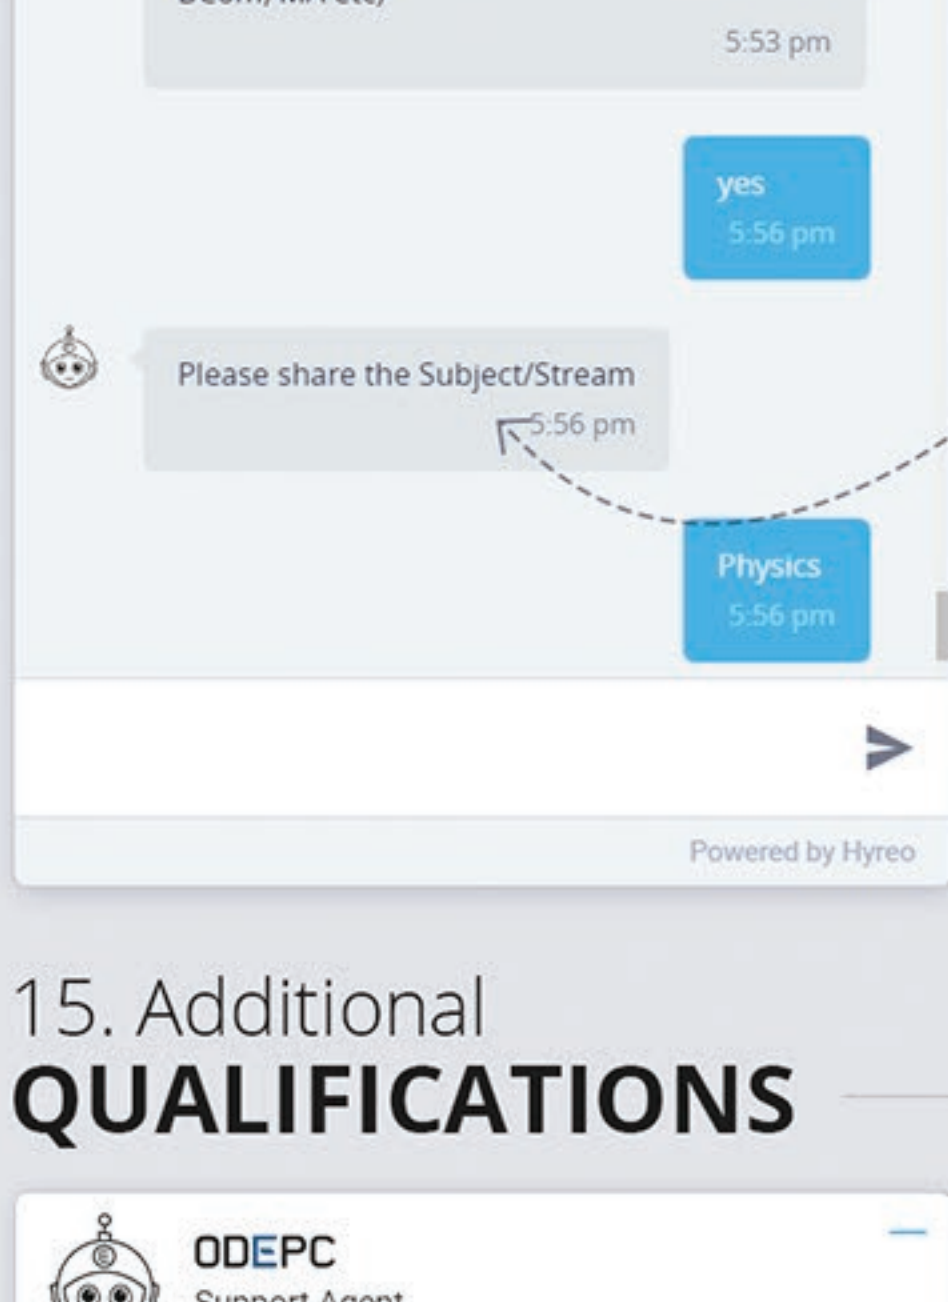

Check whether the listed data is correct or not, answer **Yes/No**

## 12. If 'NO', correct THE WRONG DATA

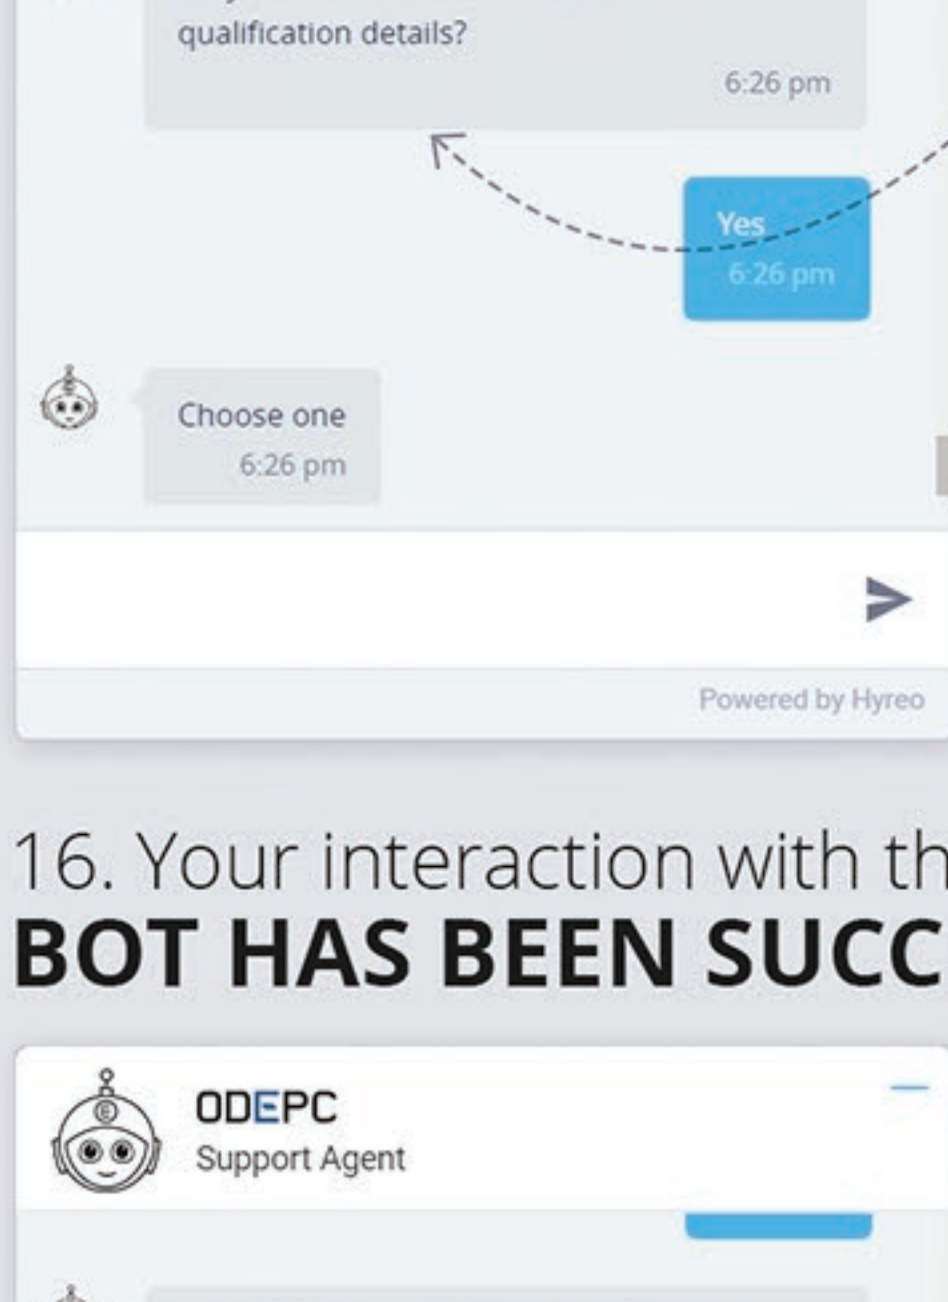

Enter the numbers of the data which you want to change, eg: 2,5,7

## 13. Confirm your BASIC DETAILS AGAIN

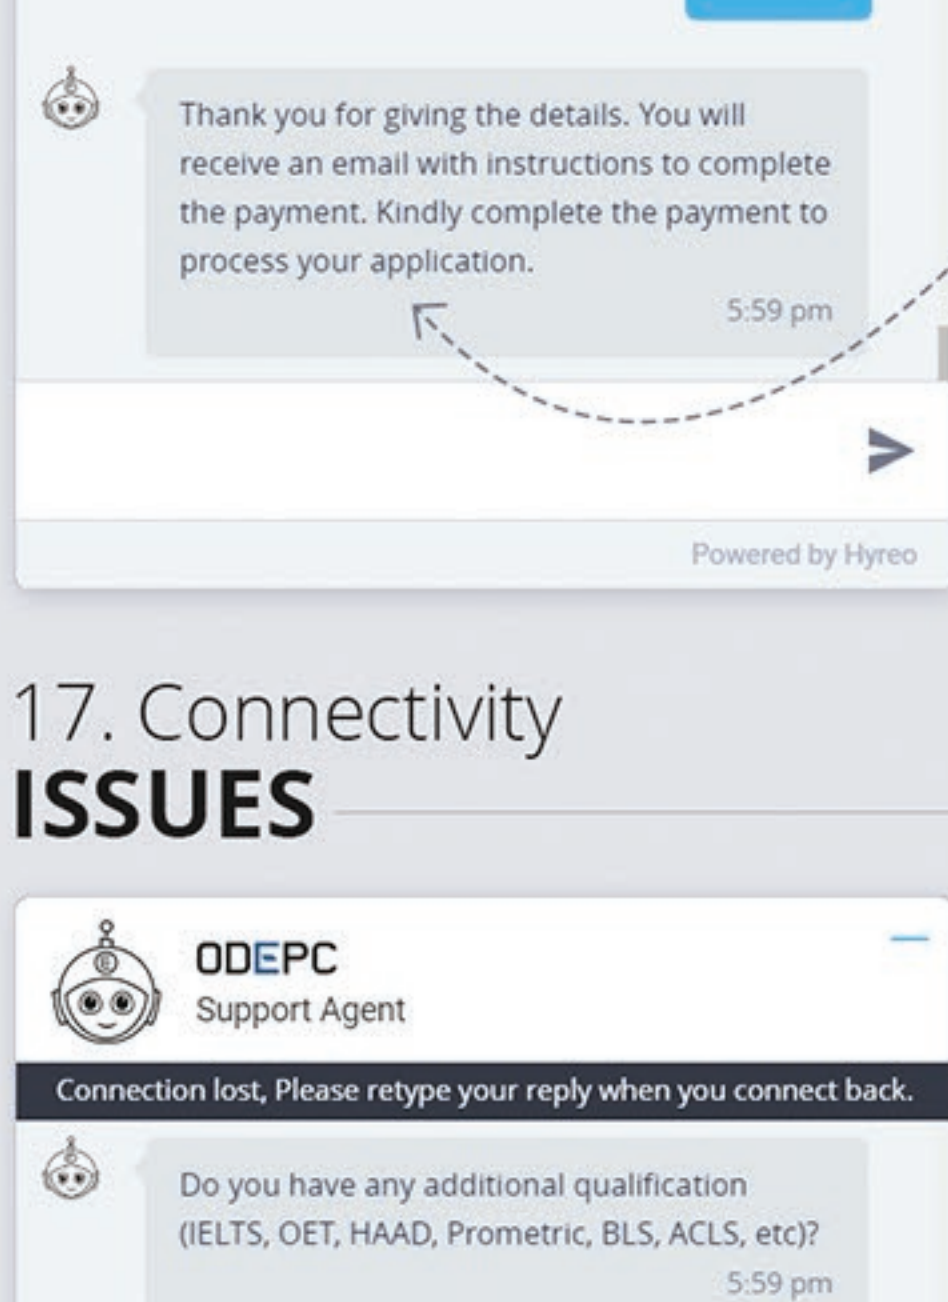

Check the newly entered data and confirm, answer **Yes/No**

## 14. Enter your QUALIFICATIONS

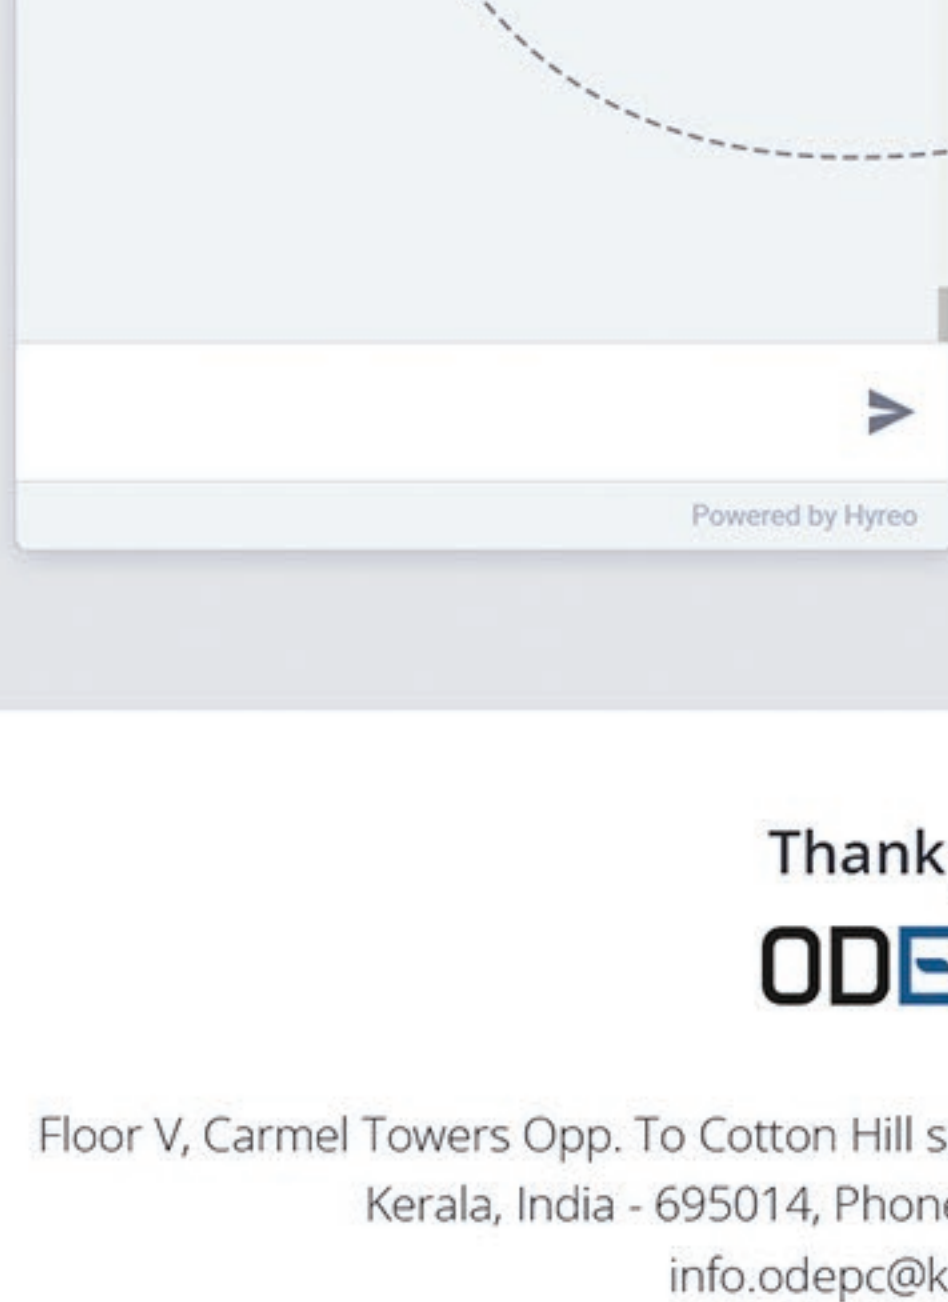

Enter your academic details

## 15. Additional QUALIFICATIONS

You can enter multiple additional qualification details

## 16. Your interaction with the BOT HAS BEEN SUCCESSFUL!

Your details have been successfully saved with us. You can now complete the registration fee payment using the details sent to your email. Please note that your registration is complete only after you make the required payment

## 17. Connectivity ISSUES

If the Internet connection is lost at any point during your interaction with the bot, your conversation is not lost. You can continue the conversation from the same point by re entering the last reply.

Thank you,  
**ODEPC**
